Don't overlook the reds! This girl has 32 over 80" TTT animals in her pedigree and she has calved us a beautiful black heifer this year sired by the one and only RL Black Market for a calf that has 47 animals in it's pedigree over 80"ttt with 3 of them over 90"ttt. Talk about consistency!!!

TTT: 58.0000 on 11/19/2023
